

Legal Aid Bureau (“LAB”) Distinguished Service Award 2022

The recipient of the LAB Distinguished Service Award is an assigned solicitor who has distinguished himself by providing exceptional service to the Bureau and its applicants. The assigned solicitor has handled each case he has been assigned with the utmost responsibility, professionalism and integrity, exemplifying the spirit of volunteerism. This is the highest form of recognition that is awarded to an assigned solicitor on the Bureau’s Panel of Solicitors, in appreciation of someone who has personally contributed to the advancement of the Bureau’s cause, and made a profound and indelible impact on our legal aid applicants’ lives.

The recipient of this year’s Distinguished Service Award is Mr Mohamed Muzammil. He has provided sterling service to the Legal Aid Bureau since he joined the Bureau’s Panel 20 years ago. He has an excellent track record, having helped countless legal aid applicants and made an everlasting impact on their lives, as well as sat in on numerous Board Meetings. His dedication and passion towards helping our legal aid applicants has been unwavering. The Bureau would like to congratulate him on winning this award and we are very grateful and thankful for his continued support of the Legal Aid Scheme.

Outstanding Contribution awarded to Law Firms 2022

The assigned solicitors from these law firms have contributed to the Legal Aid Scheme by actively encouraging their lawyers to sign up to volunteer with us and supporting their lawyers’ work as our assigned solicitors. Besides handling cases and attending our Board Meetings, the assigned solicitors from these firms have also gone the extra mile by helping LAB on non case-related matters, such as helping us to promote the Legal Aid Scheme to fellow practitioners, offering their expertise to the Bureau’s practice group solicitors, amongst other things.
